

BUSINESS AND NONINSTRUCTIONAL OPERATIONS

The automobiles purchased for use in the driver training program are to be used exclusively for this purpose. These vehicles are not to be used for any other purpose. When not in use they will be locked and stored in the fenced area behind the vocational building located at E. C. Glass High School and in the special fenced compound at Heritage High School.

Instructors will not be permitted to drive the cars to their homes for any purpose.

Approved by Superintendent: August 16, 1974
