

## SCHOOL BOARD BYLAWS

All reports and recommendations to the board from any officer or employee under the direction and supervision of the superintendent shall be made through the office of the superintendent, except when otherwise specifically directed by the board. All board actions requiring or authorizing the performance of a duty or function by an officer or employee, shall be directed to the superintendent. The intent of this section is that the board and its members shall deal only with the superintendent in respect to all matters for which he is responsible.
