

## COMMUNITY RELATIONS

All complaints regarding the school division or individuals employed by the board are to be directed to the principal of the school involved or to the superintendent. The individual making such complaints shall expect a courteous and prompt reply after an investigation of such complaints and the board shall be informed of such complaints when in the opinion of the superintendent they are of such magnitude as to cause criticism of the schools.

The complainant shall have the right to appeal any decisions of the superintendent to the board. The superintendent shall then supply the board with a full report of his investigation and recommendations.

Adopted by School Board: June 19, 1973
