

## COMMUNITY RELATIONS

**Community-Staff Committee on a Long-Range School Improvement Plan P 2-18**A. Generally

Under the school board's guidelines for citizens' advisory committees, a community-staff committee on school improvement shall be activated, as mandated by the standard of quality quoted as a legal reference to this school board policy.

B. Membership

The number of lay members shall be determined by the board. An equal number of staff members shall be appointed by the superintendent.

C. Term of Service

Lay members shall be appointed for a two-year period of service. Members may be reappointed but half the members shall be replaced every second year. This is designed to broaden the base of community participation while providing for continuity of experience of the committee.

Staff members may be rotated at the discretion of the superintendent.

Legal Reference:

Code of Va., § 22.1-253.13:6. Standard 6. Planning and public involvement.--". . . C. Each local school board shall revise, extend and adopt biennially a divisionwide six-year improvement plan which shall be developed with staff and community involvement. Prior to the adoption of any divisionwide six-year improvement plan, each local school board shall make the plan available for public inspection and copying and shall conduct at least one public hearing to solicit public comment on the divisionwide plan. Each public school shall prepare a biennial plan which shall be given consideration by its school board in the development of the divisionwide six-year improvement plan. The divisionwide six-year improvement plan shall include the objectives of the school division, an assessment of the extent to which these objectives are being achieved, a forecast of enrollment changes, a plan for managing enrollment changes including consideration of the consolidation of schools to provide for a more comprehensive and effective delivery of instructional services to students and economies in school operations, an evaluation of the appropriateness of providing certain regional services in cooperation with neighboring school divisions, a plan for implementing such regional services when appropriate, a technology component consistent with the six-year technology plan for Virginia adopted by the Board of Education, and an assessment of the needs of the school division and evidence of community participation in the development of the plan. A report shall be presented by each school board to the public
