

## COMMUNITY RELATIONS

An application to rent, or use any area or facility under school board control, shall be made to the business office by an official representative of the agency, institution, or organization, in writing, or on an application form provided by the department of finance.

The superintendent, or his designee, may approve the application upon ascertaining that there is no conflict, and that the purposes for which the area or facility is to be used are within the policies of the school board.
