

COMMUNITY RELATIONS

Rental fees shall be established and adopted by the Lynchburg City School Board for the use of school areas and facilities where applicable. Fees usually will be based upon a maximum of two and one-half hours use, prorated with an hourly rate provision for overtime use. These fees cover operational items such as utilities, custodial services, supervision, and normal wear-and-tear on buildings and facilities.

Individual school parent-teacher associations and other school affiliated organizations may use school facilities without a rental fee. There may be an occasion, however, when the services of additional custodial personnel are required, and a fee for these added services charged to the user.
