**Emergency Closing of Schools P 6-10**

When, in the opinion of the superintendent of schools, conditions exist which might prove hazardous to the safety and welfare of the students and teachers of this division, the superintendent shall have the authority to close the schools, or a school, until such hazardous conditions cease to exist.

The administration shall devise adequate plans for notifying students and parents in the event that weather conditions are the cause for closing the school.

Adopted by School Board: June 19, 1973
