

## INSTRUCTION

The board shall maintain a program of homebound instruction to comply with State Board of Education regulations.

Legal Reference

Virginia Board of Education Regulations, "Governing the Accreditation of Public Schools in Virginia" at § 7.21.--"Home-bound instruction shall be made available to students who are confined for periods of time that would prevent normal educational progress.

Homebound instruction shall be approved for credit, provided the Board of Education regulations governing such instruction are met. . . ."(September, 1997)

Adopted by School Board: June 19, 1973
