Nonschool Employment P 5-28A. Selling Educational Aids

No employee of the board shall take advantage of his/her position in the school division to promote or sell any educational aids to students or parents of students enrolled in the Lynchburg City Schools.

B. Outside Employment

Employees of the board may accept outside employment provided that such employment does not interfere with or affect the quality of performance for which the board employed the employee, nor shall the outside employment reflect adversely upon the school division. The superintendent may require employees to report all outside employment.

Adopted by School Board: June 19, 1973
