

STUDENTS

Nonresidents P 7-14

Nonresident students may be accepted for enrollment in the Lynchburg City Schools upon authorization by the superintendent or his/her designee.

Tuition fees for nonresident students will be approved by the board each year. Additional tuition fees may be charged depending upon the services required.

A refund for any unused tuition will be made if a nonresident student should withdraw during the school year.

The superintendent, or his designee, will assign students to schools. Transportation will be the responsibility of the parent.

Nonresident students are not eligible to apply as Lynchburg residents to attend the pre-kindergarten program, the schools for innovation, the Gifted Opportunity Center, or the Central Virginia Governor's School for Science and Technology.

Nonresident students will be admitted only on a space-available basis and contingent upon a review of the student's scholastic record. Admission is not assumed to be continuous from one year to the next. Parents/guardians must submit an application each year.

Students who have been suspended from their former schools or who have poor attendance or disciplinary records or reportable offenses may not be accepted. Nonresident students who become disciplinary problems, have attendance problems, or have reportable offenses after enrollment are subject to immediate removal from the school division.

Parents or guardians paying tuition for multiple children during the same academic year will pay on a basis of paying full tuition for the first child and half tuition for any other children who reside with the same parent/guardian.
