

Trailblazer Times

July 23, 2021

Dear Virtual Academy Families,

Thank you for staying connected with us as we get closer to the start of the new school year! You can now find us on Facebook, Twitter, Instagram, and YouTube. We'll be sharing staff introductions as well as informational videos to help you and your Virtual Academy student settle into the new school year.

Facebook: <https://www.facebook.com/VirtualLCS>

Twitter: [@VirtualLCS](https://twitter.com/VirtualLCS)

Instagram: https://www.instagram.com/lcs_virtual_academy/

YouTube: [Virtual Academy Trailblazer TV](https://www.youtube.com/channel/UC...)

We've also created a welcome video just for you! You can find it on our social media sites above, or just [CLICK HERE!](#)

STUDENT SCHEDULES

We are hard at work planning for the first day of school on August 11th. [Check out this quick video that will briefly explain your child's daily schedule.](#) More to come on schedules in the coming weeks.

CHROMEBOOKS, TEXTBOOKS, AND OTHER LEARNING MATERIALS

- **If your child was issued an LCS Chromebook last school year**, you should have been able to keep that this summer. Please test out your child's Chromebook now to make sure it is fully charged and properly working on the first day of school. If your child's Chromebook is having any issues, please complete this [Virtual Academy Device Check Form](#).
- **If your Virtual Academy child does not have an LCS-issued Chromebook**, please complete the [Virtual Academy Device Check Form](#) and indicate on the final question that he or she has not received a device yet.
- **Textbooks and other learning materials** will also be provided to students as they apply to class schedules. We will be in touch by the first week of August to arrange pickup times at our Virtual Academy site.

SCHOOL NUTRITION SURVEY REMINDER

If you plan to have your Virtual Academy student receive LCS meals, make sure you have completed the LCS School Nutrition Survey by Monday, July 26. Meal service will be provided by delivery directly to the student household. If you do not plan to have your student receive LCS school meals, you do not need to complete the survey.
